

NUTRITION FOR HEALTH AND DEVELOPMENT (NHD) Nutrition in emergencies

WHO publications and documents, and documentation to which WHO has contributed

General

- WHO. *Manual on the management of nutrition in major emergencies*. IFRC/UNHCR/WFP/WHO. Geneva, 2000. Publication in English, 230 pgs (<http://whqlibdoc.who.int/publications/2000/9241545208.pdf>)
- WHO. *Handbook: Nutrition in Emergencies* (in preparation). Drafts available electronically:
 - *Assessing and monitoring nutritional status in emergencies*
 - *Prevention and treatment of PEM and micronutrient deficiencies*
- WHO. *Field guide on rapid nutritional assessment in emergencies*. EMRO, 1995. Publication (English, Arabic, French), 60 pgs (being updated)
- UNHCR/UNICEF/WFP/WHO. *Food and nutritional needs in emergencies*. Rome, 2002. 50 pages (English, French) (http://webitpreview.who.int/entity/nutrition/publications/en/nut_needs_emergencies_text.pdf)
- UNHCR/WFP *guidelines for selective feeding programmes in emergency situations*. February 1999 (based on WHO's norms and standards). 20 pages, (English, French) (<http://www.univ-lille1.fr/pfeda/Engl/Frame/IndexE.htm>).
- The Sphere Project. *Minimum Standards in Food Security, Nutrition and Food Aid*. In: *Humanitarian Charter and Minimum Standards in Disaster Response*. Oxford, Oxfam Publishing, 2004 (<http://www.sphereproject.org/handbook/index.htm>)

Management of severe malnutrition

- WHO. *Management of severe malnutrition: a manual for physicians and other senior health workers*. Geneva, 1999. Available on web in English, Spanish and French (http://www.who.int/nut/documents/manage_severe_malnutrition_eng.pdf)
- WHO. *Training Course on the Management of Severe Malnutrition*. Geneva, World Health Organization, 2002 (WHO/NHD/02.04; in English and Spanish; under preparation in French, Portuguese and Dari). (http://webitpreview.who.int/entity/nutrition/publications/en/manage_severe_malnutrition_training_fly_eng.pdf)
- WHO. *Guidelines for the inpatient treatment of severely malnourished children*. Geneva, 2003. Available from WHO/NHD, Geneva.
- WHO/SCN/UNICEF. Community-based management of severe malnutrition. Meeting report and background papers (November 2005). (http://www.who.int/nutrition/topics/comm_based_malnutrition/en/index.html)

Micronutrients

- WHO/UNHCR reviews on the prevention and control of micronutrient deficiencies in emergencies:
 - *Scurvy and its prevention and control in major emergencies*. WHO/NHD/99.11. Document, approx. 50 pgs. (http://www.who.int/nut/documents/scurvy_in_emergencies_eng.pdf)

- ***Thiamine deficiency and its prevention and control in major emergencies.*** WHO/NHD/99.13. Document, approx. 50 pgs.
(http://www.who.int/nut/documents/thiamine_in_emergencies_eng.pdf)
- ***Pellagra and its prevention and control in major emergencies.*** WHO/NHD/00.10. Document, approx. 40 pgs.
(http://www.who.int/nut/documents/pellagra_prevention_control.pdf)
- ICCIDD/UNICEF/WHO. ***Assessment of Iodine Deficiency Disorders and Monitoring their Elimination.*** WHO/NHD/01.1 Document in English, 100 pgs
(http://www.who.int/nut/documents/assessment_idd_monitoring_elimination.pdf)
- ICCIDD/MI/UNICEF/WHO ***Salt iodization for the elimination of iodine deficiency.***, 1995. Publication in English, 125 pgs.
(http://www.micronutrient.org/Salt_CD/4.0_useful/4.1_fulltext/pdfs/4.1.1.pdf)
- WHO. ***Vitamin A deficiency and its consequences. A field guide to detection and control.*** Third edition. Geneva, 1995. Publication (English, French, Russian and Spanish), 70 pgs.
- WHO/UNICEF/IVACG. ***Vitamin A Supplements – A guide to their use in the treatment and prevention of vitamin A deficiency and xerophthalmia.*** WHO/UNICEF/IVACG Task Force. 2nd edition. Geneva, 1997. Publication (English, French), 28 pgs.
- WHO. ***Indicators for Assessing Vitamin A Deficiency and their Application in Monitoring and Evaluating Intervention Programmes.*** WHO/NUT/96.10.
(http://whqlibdoc.who.int/hq/1996/WHO_NUT_96.10.pdf)
- UNICEF/UNU/WHO. ***Iron deficiency anaemia: assessment, prevention and control. A guide for programme managers.*** WHO/NHD/01.3
(http://www.who.int/nut/documents/ida_assessment_prevention_control.pdf)
- INACG/UNICEF/WHO. ***Guidelines for the use of iron supplements to prevent and treat iron deficiency anemia.*** Washington, 1998. (<http://www.ilsa.org/750210webbook.pdf>)

Infant and young child feeding

- WHO. ***Guiding principles for feeding infants and young children during emergencies.*** Document, 50 pgs
http://www.who.int/nutrition/publications/guiding_principles_feedchildren_emergencies.pdf
- WHO. ***Ensuring optimal feeding of infants and young children during emergencies. A summary of the policy of the WHO, 1999.*** 1 pg, available electronically
http://www.who.int/nutrition/publications/optimal_feeding_emergencies.pdf
- UNHCR/UNICEF/WFP/WHO/LINKAGES/IBFAN/GIFA. ***Infant feeding in emergencies. Training modules*** <http://www.enonline.net/ife/index.html>
- WHO. ***Infant feeding in emergencies. A guide for mothers.*** EURO, 1997. Document (English, Russian) 40 pgs. Document in English and Russian available on web:
(<http://www.who.dk/nutrition/pdf/breastfeed.pdf>)
- WHO. ***Complementary feeding: family foods for breastfed children.*** Document WHO/NHD/00.1 English, 50 pgs. Available from WHO/NHD, Geneva.

HIV/AIDS

- FAO/WHO. ***Living well with HIV/AIDS. A manual on nutritional care and support for people living with HIV/AIDS.*** Rome, 2002. English, 97 pgs.
- ***HIV and infant feeding. Guidelines for decision-makers.*** Geneva, World Health Organization, 2003.
http://www.who.int/nutrition/publications/HIV_IF_decision_maker.pdf
- ***HIV and infant feeding. A guide for health care managers and supervisors.*** Geneva, World Health Organization, 2003.
http://www.who.int/nutrition/publications/HIV_IF_guide_for_healthcare.pdf

- *HIV and infant feeding. A review of HIV transmission through breastfeeding.* Geneva, World Health Organization, 2003.

http://www.who.int/nutrition/publications/HIV_IF_Transmission.pdf

Caring

- *Caring for the nutritionally vulnerable during emergencies: An annotated bibliography.* WHO/NHD/99.5
http://webitpreview.who.int/entity/nutrition/publications/en/vulnerable_biblio_eng.pdf
- *Caring for the nutritionally vulnerable during emergencies: A review of issues and implications for policy.* WHO/NHD/99.6

Others

- *Global Database on Child Growth and Malnutrition* (standardized compilation of anthropometric data from population-based surveys around the world from 1960 onwards) Available on web (<http://www.who.int/nutgrowthdb>)

WHO Statements/ Fact sheets on nutrition issues in emergency settings

Communicable diseases and severe food shortage situations

http://www.emro.who.int/sudan/media/pdf/CDs_severe%20food%20shortages_FINAL_25082005.pdf

Call for support for appropriate infant and young child feeding in emergencies

http://www.who.int/nutrition/topics/emergencies_tsunami_statement/en/

Preventing and controlling micronutrient deficiencies in populations affected by an emergency

http://www.who.int/nutrition/publications/WHO_WFP_UNICEFstatement.pdf

Iron supplementation of young children in regions where malaria transmission is intense and infectious disease highly prevalent
