Pakistan Humanitarian Forum welcomes the Government's finalisation of INGO Policy and Online Registration

Minister of Interior, Chaudhary Nisar Ali Khan, on Thursday 1st October announced the start of the new process to register INGOs operating in Pakistan. PHF believes the new policy is a positive step forward to ensure a transparent and accountable system is in place to facilitate INGOs work in reducing the vulnerabilities of the 27 million people we work with in Pakistan.

PHF member INGOs look forward to working in cooperation with the Government of Pakistan to ensure efficient and swift implementation of this new system.
