

Executive Summary of Annual Report 2022

Pakistan Humanitarian Forum (PHF) serves as an independent and registered organization, acting as a voice for international non-governmental organizations (INGOs) in their engagements and coordination with the Government of Pakistan, UN agencies, humanitarian actors, and civil society organizations. PHF represents 42 INGOs and 8 affiliate members, including the National Humanitarian Network (NHN), Médecins Sans Frontières (MSF), and IFRC/ICRC in Pakistan.

In 2022, PHF member organizations (INGOs) implemented 400 projects throughout Pakistan including AJ&K and Gilgit Baltistan. These projects included 296 dedicated to providing humanitarian assistance, particularly in response to 2022 floods, and 104 focused on development interventions. These initiatives, worth over \$330 million, benefited more than 21.2 million people across the country. PHF emphasizes the importance of long-term recovery and efforts.

PHF's annual report for 2022 expresses gratitude to the Government of Pakistan, for its support and highlights the forum's unwavering commitment to improving the lives of marginalized and vulnerable populations. It emphasizes the need to strengthen partnerships with government institutions, UN agencies, civil society organizations, and other stakeholders to ensure a coordinated and effective response to future humanitarian crises.

With transparency, accountability, and good governance as guiding principles, the PHF aims to build a prosperous and resilient Pakistan.
