Needs And Gaps

- In terms of needs, WASH, Shelter/NFIs, Livelihoods, protection are the main sectors identified for assistance.
- Access to safe drinking water, latrines hygiene items, NFIs, bedding, debris/mud removal from the houses and markets were prioritized for the restoration of the lives to normal.
- Livelihoods in rural setting is badly affected where agriculture land, standing crops, and animal fodder is lost. In urban settings shops in the markets are affected.
- Hygiene kits/dignity kits distribution, rehabilitation of primary water sources/network to ensure immediate water supply will enable HHs access to basic WASH needs.
- Desilting the houses, agricultural lands, markets, streets, schools are essential, allowing the people to come back to their houses, and start their livelihood activities.
- WASH Rehabilitation in the damaged schools will be helpful in re-opening the schools timely to avoid students time wastage.
- Land preparation for coming season crop, quality seeds provision, and fodder for the livestock are the specific needs for livelihoods in rural areas. restoration of small MSMEs, CFW for skilled and unskilled labor are the priorities in urban settings.
